

Anti-bullying Strategy

(in conjunction with Academy Behaviour Policy)

This policy was formally adopted by Wybers Wood Academy on: 12th November 2015

The renewal date for this policy is: December 2018

Context

The overall aim of the Academy is to have an educational community which promotes and provides excellence in teaching, learning, relationships and opportunities, through high expectations and adherence to traditional values.

Therefore all members of Wybers Wood Academy have a right to feel welcome, secure and happy. Pupils should expect to learn in a supportive and caring environment without fear of bullying.

Bullying is antisocial behaviour and affects everyone. Any form of bullying is totally unacceptable in the academy. However, human nature being as it is, despite our culture of zero tolerance towards this issue, there may be some instances of students attempting to bully each other within the academy - often as a result of offsite situations or incidents. Therefore, we aim to deal with any bullying complaints firmly, fairly and promptly.

We treat bullying as a serious offence and take every possible action to keep it to a minimum.

Our Aims

- To create an environment where bullying is not tolerated.
- To ensure that all pupils are aware of their rights and responsibilities and know how to seek help if those rights are being violated.
- To encourage pupils to work well, develop good relationships and offer each other mutual support and respect.
- To encourage pupils to behave in a respectful and positive way to one another.
- To raise awareness and equip pupils to deal with bullies through PSHE programmes, assemblies, pastoral team members and peer supporters.
- To review and monitor the effectiveness of our anti-bullying policy annually

Pupils' Anti-Bullying Charter

At Wybers Wood we say NO to bullying!

What is bullying?

Behaviour by an individual or group, usually repeated over time, that intentionally hurts another individual or group either physically or emotionally.

That means someone or some people are doing things to deliberately make you unhappy. The things they do may hurt you – hitting, kicking, tripping you up for example – or it may hurt your feelings – calling you names, deliberately leaving you out of play – but they continue to do it knowing you are hurting. Bullying makes you feel very unhappy: it might stop you wanting to come into school and it will affect your learning. We have to work together to stop the bullying!

What should you do?

- Tell someone! Tell your teacher, HEAR Partner, parents.
- Tell yourself that you do not deserve to be bullied and it is wrong.
- Try not to show that you are upset. It is hard but a bully likes it when you show you're frightened.
- Stay with a group of friends and ask them to help.
- Be assertive – make it clear that you want the bullying to stop. You have a right to feel safe & happy in school
- Walk away and **report** the bullying to an adult. Tell someone else if you are not happy with the actions they take
- Be proud of who you are and what you stand for.
- If you know that someone else is being bullied – take action; be a buddy – tell an adult.

What will we do?

- We promise to listen and to believe you
- We will investigate what is happening and ask witnesses so we have a clear picture
- We promise we will help you deal with the bullies so you feel safe & happy in school
- We will help you by sharing ideas of what you can do and who you can talk to if there is any further bullying
- We will talk to your parents so they can help you do the right thing if the bully continues to frighten you
- We will talk to the parents of the bully/bullies so they can help them to make good choices
