 Monday 29<sup>th</sup> October: Pupils Return to School

## Celebration Assembly Super Stars:

Lotti

Freddie

Layla

Maddox

Hayden

Maggie

Harley

Ella

Oliver

Joshua

### **General Messages:**

**KS2 Trim Trail:** Please remind your children they should not be using the play equipment before school. The surfaces can be very wet and this could result in an accident.

**PE Kits:** Too many children do not have kit in school to take part in PE. It is part of the National Curriculum and they are expected to take part. Please ensure your child brings a kit in on Monday to leave in school for the week.

**GDPR Consents:** A significant number of children do not yet have the consent forms returned. We will not take photographs of the children and use them on our twitter accounts without the form & unless all sections are ticked.

### Key stage 1 News

We have been very busy this week working on our topic theme: Splendid Skies. The children have taken nature walks and created art works using different types of paint. In literacy Y2 children are adding their improved sentences to their season report, whilst Y1 children have been creating poems based on the seasons. In Maths Y2 have just started the 'addition unit' and Y1 are currently reading and writing numbers and understanding their value. Children are also enthusiastically working on the Harvest Festival sharing. If you would like to make a contribution towards the harvest celebrations please can you ensure items are brought into school ready for our Harvest Festival Assembly this Tuesday.

With many thanks Kev Stage 1

### Foundation Stage News

We have had a fantastic week this week learning about lots of different types of vegetables from the story 'Oliver's Vegetables'. We have investigated vegetables that we don't know and even tasted some new ones too! After our investigations we are now using the vegetables to print pictures!

Our Harvest festival is nearly here so we have been practising our song ready for our first public performance – we're really looking forward to it!

Phonics is getting exciting because we are starting to read some real words! We are working very hard to recognise new sounds: n, p, g. Well done to everyone who is supporting our Phonics by reading regularly at home.

### Year 3 & 4 News

On Wednesday Year 3 & 4 participated in a virtual face time session with Francesca from The National British Museum. We learnt about artefacts from the Bronze and Iron Age and took part in a quiz. We would like to say a huge thank you to Miss Parrish for organising this exciting afternoon for us!

During PE we have been thinking about Body Management and are looking forward to the competition. We have been learning to balance, counter and tension, and how we can use our partners to help us!

We are all proud of Year 3 & 4 for the super home learning that is being handed in and all of the reading raffle tickets that are being awarded! Well Done, Keep it up...

Please remember to keep your PF kits in school!

### Year 5 & 6 News

This week 88 pupils from Years 5 and 6 have enjoyed a fabulous time at PGL Caythorpe.

They have taken part in various activities including high ropes, zip wire and kayaks.

The weather has been very kind to them and they will have had a very memorable week.

The 18 children left in school have experienced a varied week – imagining and responding to a scenario where they have to stay in school – creating video diaries, dance & drama and writing tasks. They have also completed maths challenges, word & sentence games and prepared to launch our Delta Plastic Free Fridays to the rest of the school. They finished the week with some baking and, generally, they seem to have enjoyed their week too.
