Oscar

Louise

Chloe

Riley

Evie

Isobel

General Messages:

Good Luck to the Table Tennis Team who are competing in the Northern Regional Finals tomorrow in Cumbria. We are all very proud of you! Parents/carers can follow their progress during the event on our twitter account.

Packed Lunches & Spoons: Please remember to pack a spoon if your child has a yoghurt or similar dessert in their packed lunch. At the beginning of the week, we were down to 29 dessertspoons as so many have been taken home in packed lunch boxes. If you realise you have any cutlery from school, there will be a box for returns in receptions. Many thanks!

Key Stage 1 News

Key Stage 1 have been busy this week working on their topic theme: Memory Box. The children have been looking at a range of items from the past and have discussed how life was very different for families years gone by. In literacy we have looked specifically at toys from the past and are preparing to write a description of a toy or an era of toys. In Maths children continue to work on improving their number and reasoning skills. Children have also enjoyed predicting what might happen in their new class reading book. In topic work, classes have been preparing their time capsule by writing a letter to themselves to read in the future. We have also been collecting and discussing baby photos from the children to look at in science.

Foundation Stage News

We are really enjoying our new topic all about Fairy Tales. So far we have learnt all about Cinderella, The Princess and the Pea and Hansel and Gretel. We have been thinking of some amazing vocabulary to use in our work following on from these stories such as petrified and terrified!

Thank you to all those who are returning their homework books. These should be handed in every Wednesday and will be sent back to you on a Friday. If you are unsure about any homework please ask a member of staff.

Year 3 & 4 News

Yet another busy week in Year3/4. In science, we have started our new topic about animals including humans. We enjoyed our first session looking at nutrition. We also took part in a treasure hunt around school to kick off our Rivers and Flow theme. We had to figure out riddles in order to find clues and then solve the problem! We had great fun learning about the Amazon River!

We are looking forward to our trip to The Deep next week. Please can we remind parents and carers to send packed lunches in a carrier bag?

Polite reminder – Please ensure your child has their PE kit and reading records in school all week.

Year 5 & 6 News

This week, Year 5 and 6 have been busy working on their dance performance in preparation for the upcoming school competition. Keep an eye out on twitter for any videos. In addition to this, all classes have been busy working hard on our new topic which the children (and teachers) seem to be very excited by.

Finally, a big well done to all Year 6 pupils who have finished their mock tests this week. They've worked extremely hard and, as a result, we've seen some huge increases since their October tests.
