- Monday 3rd June: Pupils return to school 8.50am
- Friday 19th July: Break up for Summer Holidays 3.20pm

Celebration Assembly Super Stars:

General Messages:

Circus Skills & Charity Fundraising: All the children have thoroughly enjoyed their circus skills workshops and performances. Thank you school council for the idea to celebrate comic relief week, to get everyone moving and keeping fit with some new skills and, hopefully, to raise plenty of money for Comic Relief and St Andrew's Hospice. Currently the amount raised stands at £335.

Playground Equipment: Just a reminder that children should not be using the playground equipment before school. It is likely to be wet and slippery and therefore dangerous. The equipment is checked at break to ensure it is safe for the children to use.

Reports and Parents' Evening Letters: Children will bring home their reports today together with letters for parents' evenings on the 26th and 27th March when parents will have the opportunity to discuss the reports with the teachers.

Photographs: All parents were asked to sign permissions for photographs; if not all areas on the form are ticked, we do not use photographs in social media as we cannot guarantee how they will subsequently be utilised.

Key Stage 1 News

What a fabulous week the children have had with the circus! The children have practiced a variety of skills including coordination and balancing. We cannot wait to watch the performance this Friday!

In Science, we are creating bird feeders for the courtyards and playground. We hope to attract a variety of birds to observe. See if you can spot and name any birds in the garden, at the park or on the way to school!

Year 2 have been busy practicing the songs for the singing festival. We are singing at the Grimsby Auditorium on Tuesday 19th March. Don't forget to wear a brightly coloured top.

Foundation Stage News

This week the circus has come to town and we have loved learning how to juggle and spin plates! We had to concentrate so hard and might need to keep practising to get better as it is really tricky! We have been reminded not to practise plate spinning at home with our dinner though!

We have also been investigating number bonds to 10 using Farmer Pete and his sheep. Ask us to tell you some of the numbers that go together to make 10 as we are getting really good at remembering them.

We have had lots of fun buying red noses and getting ready for Red nose day. We can't wait to see how much money we have raised for charity. Thank you for all of your support!

Year 3 & 4 News

What an exciting week we have had!

We have been learning more about mythical creatures through our literacy work and developing ideas for our own stories. In Art, we have been creating our sculptures based on the ancient story "Theseus and the Minotaur."

We have loved our tutorial with Earthbound Misfits and learnt lots of new skills. Even the teachers have been involved!

We are now over halfway through the year and would like to take this opportunity to thank parents and carers for their continued support. Children, please keep reading at home 3 times a week and don't forget we love to see your homework!

Year 5 & 6 News

This week has seen a mix of activities for the children of year 5 and 6. Y6 have been having a final practice at their end of Key Stage 2 SATs and are doing well. SATs cafes have also started on Tuesday and Thursday mornings from 8am, and Thursday and Friday lunchtimes for those pupils who want some friendly support with their revision. Both year groups have participated in an hour-long workshop of circus skills led by the Earthbound Misfits, including learning how to perform tricks with a devil stick, a diabolo, and some plate spinning in preparation for real life. For Year 5 only: on Friday 22nd March, Y5 will be walking to St. Michael's church for an Easter experience. They will be leaving at 9am and will return to school before lunch. Please make sure that your child has a waterproof coat in case it rains. This will be a valuable experience for the children. Thank you for your continued support.
