General Messages:

Cinema Reward Trips next week:

The children are really looking forward to going on their reward trips in recognition of those pupils always doing the right thing during this half term. Children were told this would happen and, as a consequence, C4 incidents have reduced. Please ensure the slips are returned to the school in time for the visit, as we are unable to take pupils out of school without your permission as this visit is not linked to the curriculum. Thank you.

Arrival time for school: Please do not send your children into school early. We have some pupils arriving on the playground as early as 8:05am. There is no one supervising pupils at this time and this concerns us from a safeguarding and health & safety perspective. Unsupervised children should aim to arrive at 8:40am when the teachers are on duty.

Key Stage 1 News

We have been very creative this week in KS1 making bird boxes and clay Dinosaur sculptures. Year 1 also looked at Biscuit Bear and made some yummy biscuits. Year 2 went to the singing festival this week, which they thoroughly enjoyed! Our children are really enjoying our Dinosaur topic, and are looking forward to our fabulous Dinosaur Day next Thursday. We will be looking at real Dinosaur bones and making our own fossils! On Wednesday, we have our cinema reward trip – please can you ensure you have signed the permission slip if you want your child to attend.

Foundation Stage News

We are looking forward to seeing you for parents evening next week and sharing our progress. In our literacy this week we have focused on rhyming words, at home you could sing some songs and nursery rhymes and talk about the words that rhyme and perhaps have a go at changing them. In maths our key word is 'double'. We have been finding out what happens if you double the amount. We all love craft especially using boxes, cartons, tubes etc. If anyone has any cereal boxes, small boxes, egg boxes or tubes which we could use please feel free to send them in. It's amazing what our imaginations can create with cardboard, glue and a few decorations!

Year 3 & 4 News

Year 3 and 4s were enthralled by the Misfits Circus that had kindly been arranged for the children. The children are still talking all about the skills they learnt. On Friday, they thoroughly enjoyed being part of Comic Relief and raising money.

The children seem very keen to be taking part in the TT Rockstars challenges, which is wonderful to see. Keep it up!

Week beginning 25/03/2019 is Parent's Evening and also school photos on Tuesday. Please remember to read at least three times a week, and to learn your spellings and times tables. Thank you for your continued support with your child's learning journey.

Year 5 & 6 News

This week has seen the Year 6 continue their hard work towards their SATs with many choosing to visit the SATs cafes that are available to them. Both Year 5 and 6 have continued working on their Alma stories - we look forward to reading them! Year 5 have also visited the local church as part of their R.E. curriculum. The Year 5/6 boys have been involved in various football activities this week. The team beat Middlethorpe 7-0 on Monday as part of their ongoing tournament and they also finished 3rd in a tournament held at St James on Thursday, only conceding two goals in six games! As well as football, various children have also represented the school at cross country with the Year 6 boys and girls finishing a very respectable third overall. Well done guys!
