### **General Messages:**

#### **Packed Lunches including Products containing Nuts:**

As we have a child in school with a severe nut allergy, it is important that parents and carers do not send lunchbox items containing nuts. **Please do not send Nutella items in packed lunches.** The allergy is so severe that contact with someone who has recently touched such a product will result in hospitalisation this has happened on two occasions recently. Please help us to keep everyone safe in school.

**Easter Fundraising Events for the Children's Air Ambulance:** Next week we have an Easter Bingo on Wednesday, our decorated egg competition on Thursday and a 'dressing up for donations' day on Friday. All monies raised will be donated to the children's air ambulance. We would appreciate your support with these events. Thank you.

### Key Stage 1 News

What a busy week we have had in school.

On Thursday we had a fun Dinosaur day when Dinostar came into school and led some awe inspiring workshops. We have seen, made some rubbings and our own fossils, seen a T Rex tooth, looked at dinosaur footprints and eggs, whilst we had the chance to see a Dinosaur skull.

We have measured the length of dinosaurs and created some amazing poetry.

The children had a fabulous day and don't forget to check out the photos on the class Twitter pages.

### Foundation Stage News

Thank you to all those who attended Parents Evening this week. It was lovely to see you all and have the opportunity to share the children's hard work.

This week we have been looking at farm animals and learning the names of their babies. We have had great fun matching them and remembering names such as kid, calf and foal.

In our investigation area, we have been looking how food decays. Can you guess what our opened bananas look like after a full weeks investigation?!

### Year 3 & 4 News

It's been another great week in Year 3 and 4!

TESTING! This week the children have been completing their Spring tests in Maths, SPaG and Reading. After speaking to all the teachers, it is clear that they are all very proud of the childrens' efforts and resilience.

In PE we have all been working hard towards our Netball Intra-school Competition next Wednesday. Hedgehogs, Woodpeckers, Squirrels and Robins will all face off against each other in mini games – it is going to be an enjoyable occasion.

We have also made great strides with our Minotaur heads and worked hard making our Easter and Mother's Day cards! Well done to all in LKS2!

### Year 5 & 6 News

This week, Year 5 have been working extremely hard to complete the termly tests for reading, maths and grammar. We are proud of all their efforts. Year 5/6 have enjoyed investigating the properties of materials in science, finding out what became of the Tudors after Henry VIII and preparing for the intra-school netball competition next week.

On Monday, the children enjoyed their reward trip to the cinema to watch Angry Birds and their behaviour was excellent – we look forward to the next reward!

Also, we would like to thank all the parents and carers who have met with teachers this week and supported their children's learning. The children enjoy showing their hard work. Thank you
