General Messages:

Welcome Back

We hope you have all enjoyed the Easter Break. It is lovely to see all the children back. Teachers are delighted to see that lots of our pupils have been practising using Times Table Rock Stars and reading for pleasure over the break. That shows a great attitude to learning. Well done.

Sun Safety etc: It is lovely to see the sun and hopefully we will be in for some warm weather. Can we remind parents/carers to ensure children are appropriately prepared for all forecasted weather conditions as conditions are changeable on a day to day basis. If sun is forecast, please send children to school having applied sun cream and with a sun hat. If the temperature is due to drop or rain is predicted, pupils will also need to bring in a coat.

Key Stage 1 News

Welcome back everyone! Hope you had a fabulous break. It is going to be a busy term... We have begun our new topic – Superheroes, the children are very excited. We will be having a superhero day later on in the term – further information will be sent nearer the date. We are learning about real life heroes as well as fictional characters. The children should have brought home their learning logs for any home learning you wish to do. Year 1 have started looking at The Tin Forest and Year 2 are reading books by Roald Dahl in our reading lessons.

In maths Year 1 are working on multiplication and Year 2 are busy recapping and revising for their SATs which will be taking place this term.

Foundation Stage News

The children have come back full of beans and ready to learn which is excellent. Our topic this half term is 'Why are carrots orange?'. We will visit a farm next Friday as part of our topic and we are looking forward to it. You can help at home talking about the differences between farms and factories, town and countryside.

Our children need to make sure they have their book bags, PE kits and water bottles in school every day as we want to hear them read as much as possible. Please support your children with this as they can become upset when they are the only ones without the right equipment.

Has your child done something at home which shows how much they are growing up? If so please share it with us using our WOW slips. Please ask if you need some more slips.

Year 3 & 4 News

Welcome back to all pupils in Lower Key Stage Two. We hope that you all had a restful break!

In Literacy we have started to look at the features of instructions texts. We have created paper aeroplanes, origami and completed obstacle courses blindfolded!

We've had a great start to our Summer Term, in PE some of our classes have been working on their team-building skills whilst others have started to practise their athletics and cricket skills.

Year 4 are looking forward to starting their swimming sessions at John Whitgift, remember to bring your swimsuit and towel with you!

Year 5 & 6 News

Welcome back for the final term of the academic year! Our new topic for this term is 'Can you walk like an Egyptian?' and started off with Mrs Baxter mummifying one of the year six children (not really) in order to demonstrate the process. Ask your child if they can tell you the ten steps in order!

We've only been back a few days so far, but science lessons have seen us dropping lots of different sized pieces of paper to see the effects of gravity and air resistance. In the coming weeks we will be making parachutes among others to learn about all the different forces around us.

Finally, this term is jam-packed with sports events. Please can you ensure that your child has their PE kit and a water bottle in school at all times. Many thanks for your support!

WHOLE SCHOOL ATTENDANCE

UPDATE: WE AIM FOR 96.5%

OUR CURRENT ATTENDANCE IS 96.8%

Check here to see whether your child's class is currently red, amber or green using our traffic light monitoring system. Please remember that the doors open at 8.45am and registers are taken by 9.00am.

Thank you all for your continued support in our aim to get children **Here On Time** and in school regularly.
