

Wybers Wood Academy Child Friendly Behaviour Policy

Our School: What we want school to be like.

We want our school to be a friendly place where all children follow our school rules to keep everyone safe and happy.

Our Motto:

Where You Become Empowered and Reach for the Stars.

How should we behave and why?

All pupils should behave in a way that allows all children to learn without any distractions. We should respect all our adults in school because they always try their best to help us learn. We should always make the right choice and do our very best learning all of the time. We should also show respect by always listening to our adults and to each other.

Our Core Values:

In our school, we aim to show the following values in everything that we say and do:

- Kindness
- Respect
- Honesty
- Pride
- Resilience
- Teamwork

What happens if we behave well?

When we show our core values, we are rewarded with...
